Do You Remember?

The last three years have passed so quickly, and yet, in these years we will find memories which we shall cherish for the rest of our lives.

These memories began with our first days as sophomores. We elected Douglas, Smith, and McNeil. We gave our class yell for the first time. . . . . .we carried on the sophomore tradition of decorating the goal posts. Remember the first time we sang the school song?

And then we became juniors. We chose Ward, Aggson, and Mundwiler as our leaders. We selected our class rings. . . . . .our production of Lock, Stock, and Lipstick was a great success. . . . .and we worked hard to put on a prom to end all proms. . . . ."Southern Plantation."

Then at last we were Seniors! Douglas, McNeil, and Mundwiler led our class. . we crowned two beautiful Homecoming Queens-----Chris and Barb.....This was our year.....we set examples for others to follow.....we were the leaders of L.H.S.

These are the memories which we can look back upon in the years to come and smile sadly or shed a wistful tear, we

My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing:
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
Let freedom ring.

Football '67

The Indian football team began the 1967 season under a new head football coach, Melvin Geier. After the gun sounded which ended the first game, our Indians were on the top by a score of 19 to 7. The next few games found the Indians being defeated and also depleted. Injuries took their toll of Indian players. After playing three state-ranked football teams, the Indian coaches were hampered because several key players had been injured. Still the team stuck it out. They renewed the spirit and created "PRIDE". Finally the team "jelled" and rolled to a smashing victory over Kinsley. The Indians took a defeat, but they came back in the season clincher by defeating Great Bend 7 to 6 in the waning moments of the game. Although the team didn't always win, the coaches and the team conceived a new spirit and "PRIDE" which will carry future teams to victory on the Indian gridiron. The season ended with a 3 win and 6 loss record.

INDIAN BASKETBALL

Coaches Marvin Webster and Paul Armstrong began the season with a wealth of talent since only one man was new on the A-team lineup. The boys were greeted with much enthusiasm when they appeared on the floor for the first time in their orange and white striped suits. "PRIDE" had carried over from the football season and this created a pride in the basketball players because they were playing for a number one team in a number one school.

CLUBS

The National Honor Society

The National Honor Society is the most selective organization in Larned High School. In order to be eligible, a student must meet the standards of Leadership, Character, Scholarship, and Service for which the National Honor Society stands. Membership is indeed an honor, but it also carries with it a responsibility. Once a student is a member, he should not only show the qualities which brought about his selection, but also try to improve himself and the conditions around him.
The students are selected by a faculty board which includes the principal, the counselor, and three teachers.
